# STARTING WITH DOTERRA

---

**It's just like Costco, but better.**

If you like Costco or Sam's Club membership, you'll love this! While doTERRA does offer a retail purchasing option, the vast majority of essential oil users opt for a wholesale membership instead. There's no minimum order, no obligation to sell, and gives you much deeper discount.

## WHOLESALE VS. RETAIL

---

### *wholesale*

- ✓ Wholesale pricing all year (25% off)
- ✓ Zero obligation to purchase or sell
- ✓ Free peppermint oil upon renewal
- ✓ Discounted or free shipping options
- ✓ Ability to earn income by sharing with family & friends (optional)
- ✓ Support and help from us so you feel confident using your oils!

THE Prairie Homestead 

### *retail*

- ✓ Regular retail pricing
- ✓ Zero obligation to purchase or sell
- ✓ No opportunities to earn free oils
- ✓ Full price shipping

# SAVE CASH WITH KITS

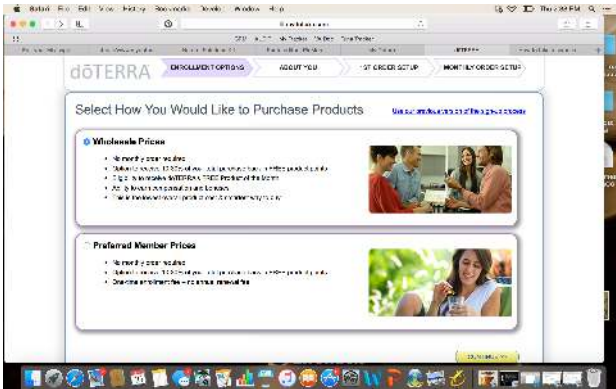

## Wholesale is nice, but...

... a wholesale kit is even better! One of the main benefits of signing up with a Wellness Advocate/wholesale account is that you have the option of purchasing an enrollment kit. These kits allow you to start right off with all the most popular oils--**plus your enrollment fee is automatically included.** There are a variety of kits, but these are the three most popular ones for my group:

HOME ESSENTIALS KIT	NATURAL SOLUTIONS KIT	DIAMOND KIT
		
<b>\$275</b> SAVE \$86.25	<b>\$550</b> SAVE \$113.25	<b>\$2550</b> SAVE \$730.93

# FREQUENTLY ASKED QUESTIONS

---

## **Are there any required minimums?**

No. You can order as frequently (or infrequently) as you like.

## **If I sign up with a wholesale account, do I have to sell oils?**

No. Although learning how to get your oils for free is an option, it is absolutely NOT a requirement as a wholesale member.

## **Do I have to start with a kit?**

No, the kits are optional--but definitely the best value.

## **How do I reorder or try new products later?**

The Loyalty Rewards Program (aka doTERRA's "frequent flyer program") is the smartest way to order oils & products. I personally have saved thousands of dollars using this program. Here's how it works:

- Create a wishlist of the doTERRA essential oils and products you want to try
- Order a few of these products each month through the Loyalty Rewards Program
- Get up to 55% off (not a typo!) on the oils you use the most, plus free oils each month.

## **How do I get access to the Facebook groups, team website, and trainings?**

After you sign up, you can expect to receive a welcome email from me within a couple of business days. If you haven't seen the welcome email by then, let me know and I'll make sure you get access.
